## South Entrance Sign Installed!

Victoria Park homeowners have a magnificent new sign at the south entrance. With a grant from the City of Renton the new sign and enclosure was designed, constructed, installed, and finished by an all volunteer workforce from your Victoria Park neighbors.

Art Madsen gracefully volunteered his construction expertise and consulted on design and engineering. Art led the construction team and over the course of several days installed the footing, support structure, and roofing. Alan Zullig designed and constructed four clever mounting brackets which securely mount the sign and do not obscure or damage it's face. Alan also installed the pier lighting system which turns on and off automatically each night for extra energy savings.

**UPDATE:** Many requests for a copy of the virtual newsletter have been captured but the requests have not been fully processed. If you asked for delivery to your email Inbox please know that it will be done.

If you would prefer to have your copy of the newsletter sent to your e-mail address let us know by sending an e-mail to [newsletter@vpha.net](mailto:newsletter@vpha.net). Include your physical address for ease of processing. Only one email per physical address can be accommodated at this time.

## Photo Enforcement Speed Camera on Talbot Rd S.

The City of Renton has installed a photo enforcement speed camera and began issuing citations on October 15th 2008. An excerpt from the public announcement:

*The registered owners of the offending cars will receive a notice of infraction in the amount of \$124.00 when the speed violation is 6 to 15 miles per hour over the posted school zone speed. If the violation speed exceeds 15 miles per hour the penalty is \$250.00.*

*The cameras operate during school hours and capture still photographs and video of every vehicle that exceeds the school zone speed limit.*
