New Toys in the Children's Park

Recently you may have noticed the disappearance of the half-moon monkey bars at the Children's Park on Morris and the installation of a large play area. At press time that area is awaiting the delivery and final installation of two spring toys. Look for them soon.

Special thanks go out to Robert Rantucci for successfully managing this multi-faceted and dynamic project.

Much thanks to the wood-chip work party consisting of Alan Zullig, Denise Zullig, Margaret Stepper and her daughter Brianna, Dan Love and his son Brett, Glyn Gardener, Matt Devine, and Dale Hoover for arranging the delivery and pricing with Carpinito Brothers.

June Garage Sale a success!

The participation for the three day garage sale in Victoria Park was as good as it has ever been. Around 28 homes participated in the sale this year. We were happily surprised that there was as much activity on Friday as on Saturday, and as you all know this is the first year we held the garage sale on a weekday. As a result we may continue to extend the garage sale from Friday-Sunday in future years.

Many thanks to the organizers and participants.
